RE: REFERENCE LETTER FOR DR. AKOJI CHUBIYOJO

Dear Sir, the above named newly qualified Medical Doctor has asked me to write a reference letter on his behalf. I have known him in the last four (4) years as a medical student of Afe Babalola University, Ado Ekiti. He is a humble, obedient, hardworking and respectful person. He obeys constituted authority. He has passion for his patients and relates well with his colleagues.

I therefore recommend him for any assistance he may need from your establishment.

Yours Faithfully,

PROF. OLAJIDE TG MB; BS, FWACS, FMCORL
