LETTER OF RECOMMENDATION

RE: DR AKOJI CHUBIYOJO BARNABAS, MB,BS.

I write in support of the above named person. Dr Akoji Chubiyajo Barnabas was one of our very respectful and hardworking students.

His academic rating is well above average. I have no doubt he will perform well in clinical practice.

I therefore strongly recommend him for employment as a house officer.

Yours sincerely,

Dr Erinomo Olagoke O MBBCh (Calabar) FMCPATH FISUP
Head of Anatomic Pathology
